Assistant Director of Scientific Intelligence

SUBJECT : Power Failure in Langley

As most of you know there was a power failure at the  
Langley building on 17 December. [ ] of the  
DDS is making a survey of the effects that this power failure  
had on the operations of the various Agency components to see what  
lessons can be learned for future emergency planning. If  
your office was affected in any way by this power failure, I  
would appreciate it if you would have someone call me and let  
me know in order that I may arrange for [ ] to  
interview the offices affected.
